ESSAY GUIDELINES

The essay must be typed and not less than 200 words nor longer than one page.
When writing your essay, please include comments on the following:

1. What about the nursing field interests you?

2. Is there a specialty within nursing you are focused on? If yes, please explain why.

3. Describe how your community service and work experiences have prepared you for a career in nursing.

4. Think of someone whom you admire and describe this person's characteristics.
   (Please do not mention any specific names that would identify this person or yourself).

5. Please include any other comments you wish. Thank you.
